The screenshot shows a web interface for a journal submission. At the top, there is a navigation bar with 'Jurnal Insan Farmasi Indonesia', 'Tasks 0', 'English', 'View Site', and the user name 'ginaayurezanurfatwa'. Below this is a blue header with 'Submission Library' and 'View Metadata'. The main content area has a dark blue sidebar on the left with 'Submissions' selected. The main title is 'REVIEW: ANTIBACTERIAL ACTIVITIES OF ONION (Allium cepa L.) AGAINST SOME PATHOGEN BACTERIA' by 'Gina Ayu Reza Nufatwa'. There are tabs for 'Submission', 'Review', 'Copyediting', and 'Production'. Below the tabs is a 'Submission Files' section with a search icon and a table listing a file: '2075-1 ginaayurezanurfatwa, REVIEW AKTIVITAS ANTIBAKTERI BAWANG MERAH (Allium cepa L.) TERHADAP BEBERAPA BAKTERI PATOGEN.docx' with the type 'Article Text'. A 'Download All Files' button is at the bottom right of this section. Below that is a 'Pre-Review Discussions' section with an 'Add discussion' button and a table with columns 'Name', 'From', 'Last Reply', 'Replies', and 'Closed'. The table currently shows 'No Items'.
