BUKTI SUBMIT ARTIKEL

The screenshot displays the mobile interface of the PHARMACON journal submission website. At the top, there is a navigation bar with the journal's logo, name, and ISSN information. The main heading is "Active Submissions", with links for "Active" and "Archive". Below this, a table lists the active submissions. The table has columns for ID, SubmitSec, Authors, Title, and Status. One submission is visible with ID 1294712-18, author ART Safttri, and status "Awaiting assignment". Below the table, there is a section for "Start a New Submission" with a link to begin the process. The bottom part of the screenshot shows the "Refbacks" section.
